80 responses

What percentage of teachers used ICT tools such as LCD projector, Multimedia, etc., while teaching?

80 responses

The overall quality of teaching-learning process in your institution is very good.

80 responses

Any other suggestions for improvement:

- Improve the surrounding and the basketball court
- Please make Use of LCD projector more often.
- The online class is not very satisfactory.
- Improvement of teaching and learning.
- The performance of the students in assignment should be discussed
- Want the teachers to show the weakness in writing assignment or answers so that we'll be able to do better.
- More books are needed in library. Teacher should always get back to their students when they have question
 - Focus on recruiting, training and supporting teachers.
 - As a commerce students it's very Difficult for us to write assignment as we need latest accounting book ,bussiness law.etc , latest booking in the library and enough Book refrence for every student
 - Teacher should not pay attention only to the student they like or who score well. they should treat all the same
 - Encourage students to take part in different fields not only in their specific area
